The Raymond VIP Board of Directors is pleased to announce:

Donor businesses will be listed on the back page of our Voters Guide

Your tax deductible donation gives your Raymond patrons:

- **A chance to vote fully informed.** A nonpartisan twelve-page, attractively printed voting guide describes all warrant articles in clear, concise, objective language with reasons to vote yes and reasons to vote no. The back page (where your business name will appear) lets voters mark their choices in advance, take the page to the polls, then bring it home to record election results. The guide is mailed to every Raymond household.
- **Encouragement to vote.** An early edition of the guide is published at www.raymondvip.org to encourage Raymond citizens to participate in Raymond's Town and School Deliberative Sessions. The guide (and your business contact information) remains on our website indefinitely.
- **Community voter education:** Raymond VIP Fall Speaker Programs have helped citizens learn how to write citizen petition warrant articles, how to be aware of factors that influence voting, and what to expect for voter ID at the polls.

See our website for more information, including our Annual Report (Meetings page). Contact our Treasurer, at (603) 244-1056 or write info@raymondvip.org. You may contribute by mail or PayPal on our website. A 501(c) (3) receipt will be provided. Business donor names appear in the guide in alphabetical order.

Please partner with us NOW as we seek to serve Raymond's citizens.
