On behalf of the Raymond VIP, I would like to thank you for sponsoring the 2023 Voter Guide!

Business Name: _____ Location: _____

Sponsorship Amount: _____ Payment Date: _____

You will receive recognition printed in the Voter Guide and also on our website. I will contact you soon to confirm your ads for print and web.

Your generosity is greatly appreciated. As a small nonprofit, we rely solely on donations in order to print the annual Voter Guide. We have a team of dedicated volunteers, who will spend thousands of hours collectively, creating the 2023 Voter Guide.

Raymond VIP is registered with the State of New Hampshire and with the Town of Raymond as a nonprofit corporation and a charitable trust. We are recognized by the IRS as a 501(c)3 organization (EIN #27-1022223). Donations are fully tax deductible. Please print and keep this form for your tax records.

Our nonpartisan Voting Guide is mailed to every household in the town of Raymond and describes Town and School Warrant Articles in clear, concise, objective language with reasons to vote yes and reasons to vote no. Citizens not only go to the polls informed, they also learn to appreciate both sides of the issue.

Members of the Raymond Voter Information Project come from a broad range of careers and municipal experience and have many personal viewpoints. However, within Raymond VIP, they are committed to providing objective voter information.
